Why Restaurants Choose Food Delivery 365:

Save 5% on every delivery order

Keep using Uber Eats, DoorDash, and other marketplace apps

Simple setup: Just select "Self Delivery" mode in the marketplace app

We deliver up to 10 miles vs. typical 6-7 mile range

Food Delivery 365

integrates via API for:

- Real-time order tracking
- Automatic driver dispatch

Expand your reach.

Serve more customers

Deliver Smarter. Keep more Profits

We don't disrupt your current setup - we enhance it with a lower-cost delivery solution. Use your same existing apps (Uber Eats, Door Dash, etc) and start saving 5% with FD365!
